About Us

Our first hand experience of the courier & express parcel industry sees our title magazine enjoy wide sector recognition by both advertisers and readers alike, putting your brand in front of key decision makers in the delivery industry.

As the only title in this industry sector we deliver a lively, concise mix of industry news, product reviews, interviews and features on a wide spectrum of industry topics, in a clear, easy to read manner.

We are now in our fifteenth year of publishing and continue to open doors for our readers and advertisers through print, email broadcasting, content marketing and digital media, so you can be even more assured of reaching your target audience every time.

Advertising Opportunities

Businesses are always seeking new ways to promote themselves to their potential customers - and a quality magazine that gives them the opportunity to get their message across to a tightly targeted audience, is very attractive to them.

Good advertising works because it puts the company, its products and its messages at the forefront of people's minds. It either stimulates an early purchase, or helps to ensure that people know where to go when they do decide to purchase.

Editorial Policy

Articles and press releases are welcome from all sources which are accepted in email form, more extensive editorial contributions will be considered, particularly case studies. We also have opportunities for opinion pieces from commentators or industry leaders. To save disappointment from intense work being turned down, the following steps should be taken in submitting an article.

- Email an A4 bullet point synopsis of the idea/suggested article to the Editor
- Discuss the synopsis with the Editor so to agree content, length, treatment and visuals
- Agree method and date for delivery
